ABOUT US

Ferrofox Metal Wire Rope Trading DWC LLC is a Dubai-based company specializing in the supply of high-quality metal wire ropes. We cater to a wide range of industries including construction, marine, oil & gas, mining, lifting, and general engineering across the UAE and international markets. Our products are sourced from trusted global manufacturers and meet strict international quality standards. With a variety of wire rope sizes, constructions, and materials available, we provide reliable solutions tailored to each application.

At Ferrofox, we're more than just a supplier—we're a partner you can count on. Our team is committed to delivering expert guidance, dependable stock availability, and fast service to help you get the job done right.

We pride ourselves on building lasting relationships through trust, quality, and customer-first service. Ferrofox is here to support your operations with durable, cost-effective wire rope solutions you can rely on.
